#### Prior Acts Disclosure

The undersigned authorized officials of the applicant's governing body declare that to the best of their knowledge the statements set forth herein are true. The undersigned agrees that if the information supplied on this questionnaire changes between the date of this questionnaire and the effective date of the insurance, the undersigned will immediately notify the company of such changes, and the company may withdraw or modify and outstanding quotations and/or authorization or agreement to bind any insurance.

**Declaration and Attestation**

The policy will be subject to a deductible, which can be consumed by either losses, defense costs paid by the Company, or costs paid by the applicant, but subject to the Company's knowledge and consent. The amount of the deductible will vary in accordance with the table of premiums and deductibles filed on behalf of the Company with the Insurance Department.

The authorized signer of this application represents or warrants to the best of his or her knowledge and belief that the statements set forth herein are true and include all material information. The authorized signer also represents or warrants that any fact, circumstance or situation indicating the probability of a claim or action now known to any entity official or employee has been declared, and it is agreed by all concerned that omission of such information shall exclude any such claim or action from coverage under the insurance being applied for. Signing of this application does not bind the insurance company to offer nor the authorized signer to accept insurance, but it is agreed this application and any attachments thereto shall be the basis of the insurance and will be incorporated by reference and made a part of the policy should a policy be issued.

This application provides the Company with certain indicators as to underwriting acceptability. It does not provide information on policy coverages nor does it alter the terms of the policy.
